

Zhengshan (Jason) Yu Biography

Zhengshan (Jason) Yu is the CEO and co-founder of Beyond Silicon. He is also an Assistant Research Professor in the School of Electrical, Computer, and Energy Engineering at Arizona State University, where he received Ph.D. for his groundbreaking work on silicon-based tandem solar cells. Prior to Beyond Silicon and ASU, he worked 7 years (2006-2013) in the photovoltaic industry and was the Director of Technology Center at Solar Enertech—a U.S. startup company pioneered in silicon photovoltaics.
